Terms and Conditions

1. It is the customer's responsibility to verify the content of the job sheet they receive at the time of the device submission for the repairs.
2. We are not obliged to accept the devices with liquid damages or the devices on which the repairs are already attempted by repair personnel other than ours.
3. We won't be responsible for the loss of any data during the repair process therefore, we request our customers to take a backup of their data before submitting their device for the repairs.
4. If any new issues are diagnosed during the repairing process, we won't proceed further without notifying you and getting your approval.
5. Diagnostic charges will still be applicable in case of the rejection of the estimation from customers.
6. We shall make every effort to deliver your repaired device on the estimated date but in case of a newly surfaced complication or shortage of critical spare parts, there may be a delay in the delivery.
7. We request our customers to collect their repaired devices within the span of 30 days of our intimation else, we won't be responsible for any damage or loss of any part of the device.
8. Customers should submit the original job sheet at the time of delivery. We reserve the right to refuse to hand over the repaired device without the submission of the original job sheet.
9. Acceptance of the job sheet is considered to be the acceptance of Terms and Conditions.

10. All the above Terms and Conditions are valid and prior conversations, communications, or promises are all considered invalid against the job sheet.
